<hr/>				
Tree Guard Each 4" diameter tube speeds photosynthesis by trapping moisture, thereby raising relative humidity and ambient temperature inside the tube. Also protects the tree from animals, wind desiccation, small rodents, and insects. Includes a 48 inch wood stake. Note: Tubes are recommended for deciduous trees only.		\$3 Each		\$
			Total	\$

Have questions about what to order? Planning a special project or large forestry restoration and need a different species? We may be able to place special orders with the nursery for larger orders (minimum 25 trees/species). Give us a call!

Disclaimer: "These plants are for conservation purposes only and shall not be used as ornamentals or for landscaping." All orders subject to nursery availability. Trees/shrubs will arrive alive. There is no warranty or guarantee of survival after delivery.
